Pakistan Super League which is known as PSL T20 is one the leading T20 competition going around in the circuit. PSL 2021 is also the second-highest-paid league after IPL 2021 which also happens every year in India. PCB had to work very hard to make Pakistan Super League a successful event due to the security situation back home in Pakistan and they took the risk of introducing the league in UAE which was around four years ago. Today, the hard work of PSL management has finally paid off and the complete PSL 2021 is going to be played in Pakistan on four different beautiful grounds in Pakistan. The **PSL 6 squads** were announced earlier in a draft ceremony which happened last month and all six franchises able to formulate a sixteen member squad for the special edition of PSL 2021.
