There is nothing wrong with saying that Peshawar Zalmi has got great team management. Firstly, the two-time ICC World T20 winning, and the 2017 Pakistan Super League winning captain, Darren Sammy, will be

the head coach of the Peshawar Zalmi squad 2021. Besides Sammy, the legendary opening batsman from South Africa, Hashim Amla, will be fulfilling the duty of being the batting coach.

Mohammad Akram will be serving the team as the Director of Cricket Operations as well as the bowling coach. Last but not the least, Arshad Khan is the team manager of Peshawar Zalmi.

Peshawar Zalmi Team History

As we mentioned earlier, Peshawar Zalmi has been consistent throughout every season of the PSL. They have qualified for the playoffs in each edition and became the champions in the second one. To begin with, PZ finished the group stage at the number one spot in the inaugural edition of the Pakistan Super League. However, they lost both the qualifier and eliminator 2 to take the bronze medal home.

The second season again saw them qualifying for the playoffs by surpassing every team in the group stage. This time though, it was their moment. Even though they lost the first qualifier by just one run in a nail-biter against QG, they defeated KK in the second eliminator. Now it was time for their revenge over Quetta. Peshawar Zalmi one-sidedly defeated Quetta Gladiators in the final by 58 runs to become the champions.

Afterward, they were close to defending their title in 2018 but lost to Islamabad United in the final. Came 2019 and PZ is again in the final of the tournament. This time it was Quetta Gladiators who had the last laugh in the grand-final. Last year, Peshawar Zalmi finished at the 4th spot in the group stage and got eliminated in the second eliminator by Lahore Qalandars, who lost the final to Karachi Kings.
