South Africa recently toured Pakistan for a two-match test and 3 T20 internationals series. And now, it is time for Pakistan to return the favor. Pakistan will be touring South Africa in April this year for a 3-match ODI and 4-match T20I series. South Africa didn't have much success in their tour of Pakistan as they got clean-swept in the test series and lost the T20I one 2-1. However, this time SA will be having the home advantage and they will obviously be knowing more about the conditions. Nonetheless, it is a strong Pakistan team touring them and the matches are expected to be thrilling and not completely one-sided.

In this article, you will be getting all the details about the Pak vs SA 2021 schedule, venues, squads, live score, and live streaming. So, make sure you read it till the end.
